Again this year "DANIA" will hold their annual Valentine Masquerade, where everybody usually has a good time. It is always fun to see people in masks and costumes, so don't miss a chance for some laughs. Come and bring some friends and remember it will only cost \$1.00 if you are a member. As usual there will be many good prizes.

Remember a membership card amounts to a 50c saving when attending any DANIA social functions — so get yours without delay from one of DANIA's directors.

Mr. and Mrs. Carl Anderson had a hurried but wonderful trip to Denmark for the Christmas holiday. They were only away two weeks, not much time for such a long journey. We are glad to see them looking so well and to hear all about their trip.

Mr. Kjeld Sondrup celebrated his 50th birthday on January 18 with some friends. Remember Kjeld—now you are "voksen." Good luck to you.

Mrs. Else Sorenson had her birthday the same day, but we won't mention her age. Tillykke begge to.

INTERESTING FACTS — "The Jewish National Fund" has paid tribute to kgl Kammeranger Lauritz Melchior and Mrs. Kleinchén at a dinner party held at Beverly Hilton Hotel, Hollywood, where over 1,000 persons took part. One hundred trees will be planted in Israel's "Garden of Trees" in "American Freedom Forest" near Jerusalem to acknowledge Melchior's and Danmark's "good will" and help, not least in the last world war.

With the honor came a 13 x 13" plaque with inscription as follows: "In Honor of Kleinchén and Lauritz Melchior, his magnificent voice and their consecrated service to humanity, have made an indelible impression upon history and mankind."

The plaque shows a man and woman planting a tree with the inscription in English on the one side and Hebrew on the other.

Those who met her when visiting her daughter, Mrs. Curley Marvin, will recall her bright personality and winsome ways. Officiating at the funeral service, in the Icelandic Church in Vancouver, was her good friend, Rev. Brynjolfson, assisted by Rev. FROM THE SECRETARY'S DESK

By S. A. Sorenson, Campaign Manager

Many people ask "When are we going to start building the Centre?" The answer is very simple: we will start building the Centre when we have reached our objective of \$100,000.00 — so this question may well be answered with another question — have you bought your share yet? If you have not, then you are the one who is holding back the building of the Centre.

The Share Selling Committee have set up plans for the 1960 drive for funds. There will be four 10-week campaigns during the year. The first campaign covers the period January 19th to March 29th; there will be five teams of six members per team with a captain in charge. Elsewhere in this issue you will see the complete line-up. The goal is a minimum of 300 shares. Since these canvassers work on a voluntary basis on your behalf, why not make it easy for them by phoning one of them and letting him know that you are ready to buy your share now?

A very enthusiastic sales meeting was held on Tuesday, January 19th and prospects look very bright for securing the necessary funds in 1960. However, bear in mind that the direct responsibility is on each and every one of us. If we put off buying our shares we are, by the same token, postponing the building date. Can we afford to procrastinate any longer?

Your canvassers are working very hard for you; it is the duty of all of us to support them and to see that the present campaign goes well over the top.

In Memoriam

JOHNSON — In loving memory of our dear husband and father Folke Johnson, who passed away December 31, 1958.

You were always true and patient, Through the years you struggled on,

And those hands that rest forever, Made a home that now is gone. Deep in our hearts a memory is kept,

Of one we loved and will never forget.

Ever remembered and sadly missed by his loving wife Anna and daughter May.
